### **Crossbridge Capital strengthens team with Head of Investment Services appointment**

**LONDON** – Crossbridge Capital, the specialist investment solutions firm for HNW entrepreneurs and families, today announces the appointment of Manish Singh, Director and Head of Investment Services.

Reporting to CEO Tarek Khlat, Manish will be responsible for overseeing Crossbridge’s Investment Services, which include discretionary and advisory portfolios for HNW and UHNW clients. Manish will work closely with Crossbridge’s Relationship Managers to ensure clients continue to receive best in class, bespoke investment advice with an emphasis on personal and consistent communication. Manish has over 8 years of investment banking and financial markets experience with his most recent role being at Société Generale Private Banking (SGPB) Hambros Bank Ltd, as Investment Director. In this role he managed over \$400m in bespoke and advisory portfolios covering multi asset classes, alternative investment and structured products.

Since Crossbridge Capital’s inception in September 2008, the team has grown from six to over 30 employees with a focus on entrepreneurs from an increasing number of key emerging markets such as the Middle East, India, Russia, Turkey and South East Asia. With this ambitious, yet considered growth, Crossbridge has been able to continue to capitalise on more opportunities and expand its product offering to its increasing client base.

Commenting on the recent appointment of Manish Singh, Crossbridge Capital CEO, Tarek Khlat said, “Manish brings a diverse wealth of experience to Crossbridge. His cross asset product knowledge and experience in both portfolio management and investment advisory will prove invaluable as we continue to grow the business.”

“I am excited to have joined a company where I am able to combine my knowledge of portfolio management with that of advisory. Crossbridge is a dynamic and dedicated investment firm and I am pleased to be strengthening our portfolio team with an aim to bring tighter synergies across our full range of services,” commented Manish Singh.

Manish’s other former roles include the Head of Structured Product Solutions team at SGPB Hambros, Quantitative Equity Research Analyst at Societe Generale Corporate and Investment Banking (SGCIB) and at UBS Investment Bank working in teams in both London and Hong Kong. Manish is a CFA Charter holder and received his MSc Finance and Management degree (2003-2004) from the Cranfield School of Management, UK. He also holds a Bachelor of Technology degree in Chemical Engineering (1996-2000) from the Indian Institute of Technology, Mumbai, India.
